

Annual Chapter Report

DELTA XI CHAPTER

ETA KAPPA NU

July 1, 2004 – June 30, 2005

Introduction

The Delta Xi ($\Delta\xi$) Chapter of the Eta Kappa Nu (HKN) honor society serves the Air Force Institute of Technology (AFIT), located at Wright-Patterson Air Force Base in Dayton, OH. The chapter was founded in 1962 and has inducted 711 new members into HKN since its

beginning. This report summarizes chapter activities and efforts between 01 Jul 04 and 30 Jun 05. The chapter leaders are listed below followed by a summary of the induction ceremonies conducted and awards presented. The three final sections discuss $\Delta\xi$ endeavors in professional development, community service, and social activities.

Chapter Leadership

Officers are elected every January and serve one-year terms. The $\Delta\Xi$ chapter officers for January 2004 to January 2005 were: Jeremy Raley (President), Jonathan Luminati (Vice President), Eric Nelson (Treasurer), David Parker (Recording Secretary), and Richard Day (Corresponding Secretary). Current $\Delta\Xi$ chapter officers, elected 31 Jan 05 for the 2005 calendar year are: Mark Kleeman (President), Marcus Roberts (Vice President), George Roelke (Treasurer), Travis Blake (Recording Secretary), and Michael Veth (Corresponding Secretary).

Induction Ceremonies

The Delta Xi chapter conducted three induction ceremonies during the past year. On 13 Jul 04, the $\Delta\Xi$ chapter inducted ten new members, 6 PhD and 4 Masters students, into HKN. The ceremony was held at 5:30 pm on campus with a reception immediately following on campus. On 16 Nov 04, the $\Delta\Xi$ chapter inducted two new members, both Masters students, into HKN. The ceremony was held at 5:00 pm on campus with a reception immediately following at Chili's restaurant. On 30 Jun 05, the $\Delta\Xi$ chapter inducted twelve new members, 4 PhD and 8 Masters students, into HKN. The ceremony was held at 11:00 am on campus with a lunchtime reception immediately following on campus. The photograph below shows the 12 new inductees after the 30 Jun 05 ceremony.

Awards

Every year since 1976, the ΔE chapter selects a deserving faculty member from the Department of Electrical and Computer Engineering for the Faculty Member of the Year award. The winning instructor is awarded this honor in front of all students at the annual March graduation ceremony. Nominees are evaluated based on teaching excellence, publication record, and significant professional achievements. In March 2005, four well-qualified faculty members were nominated, and the ΔE chapter selected Dr. Richard Raines as this year's winner (see photograph below of President Mark Kleeman (l) presenting the award to Dr. Richard Raines (r) on 21 Mar 05).

Professional Development

The Delta Xi chapter did not conduct or sponsor any formal professional development activities during the past year. However, the close-knit community within AFIT (and the Air Force at large) allows numerous informal opportunities for HKN members to encourage, support, and mentor each other on a day-to-day basis not only on class or research topics, but also on career topics.

Service Activities

The Delta Xi chapter did not conduct or sponsor any formal service activities during the past year.

Social Activities

The Delta Xi chapter sponsored one social activity for student members and their families during the past year. On 16 Sep 04, more than 10 HKN ΔΞ students and family members met in Cincinnati, OH to attend the Cincinnati Reds vs. Chicago Cubs baseball game. It was a great opportunity to relax, visit, and enjoy a good game away from the office.
