

Why Join Eta Kappa Nu?

Eta Kappa Nu, The Electrical and Computer Engineering Honor Society

Congratulations! You have been invited to join **Eta Kappa Nu** (HKN), the Electrical and Computer Engineering Honor Society. You have been chosen because you have demonstrated the **Character**, **Leadership**, **Teamwork**, and **Academic** skills and abilities for which HKN members are known.

Employers seek individuals with these skills. HKN membership develops the capabilities you already possess and it looks great on a **résumé!**

Eta Kappa Nu is not just an academic organization. Members also do **volunteer work** that benefits their **departments**, their **schools**, and their **communities**.

Your Membership includes a **2 year subscription** to HKN's **THE BRIDGE Magazine**. This is a fun, easy way to keep up with advances in ECE, Award Winners, your local Chapter, and other HKN members.

DID YOU KNOW...

- HKN has more than 175 active Chapters exceeding 200,000 members?
- HKN was started at the University of Illinois by Maurice Carr on October 28, 1904?
- HKN members are either founders or top executives at world renowned companies including Google, Yahoo!, Motorola, and IBM?
